6. The City has the Oahu Bike Plan and the draft Protected Bike Lane Network Map. What will you do when elected to implement these plans? (short answer) \*

Just fund it and get it done.

7. The City has Transit Oriented Development plans that identify pedestrian improvements for areas around the rail, but no pedestrian master plan for the rest of the island. What will you do when elected to implement the pedestrian improvements in TOD areas and throughout Oahu? (short answer) \*

Just fund it and get it done.
