The below provides a summary of meeting comments. These are provided in three areas: Major Priorities, Add/Change to the Oahu Bike Plan, and Other Items/General Comments.

Major Priorities:

- Bicycle friendly Kamehameha Hwy
  - Bike lanes (buffered or protected if possible) through Kaneohe town
  - Maximize shoulder in rural section
  - Generally Kamehameha Hwy through Kaneohe town should be traffic calmed
- Extend existing Kahaluu bike path along Kahekili Hwy to at least Waihee Road
- Old Pali Road bikeway to connect Windward to town
- Bike path the length of Windward

Add/Change to Oahu Bike Plan:

- Hoomalahia park road bike route/blvd - cuts in the speed bumps for bikes
- Anoi Rd bike lanes to connect to Hoomalahia
- Bike boulevard treatment on a route of Puuhala → Pua Inia → Keole St → Keneke St (via existing pedestrian bridge)

Other Items/General Comments:

- Linking Windward Community College to Kaneohe town should be a priority
- Need additional bike parking in commercial areas
- Windward Mall should be more bike friendly by providing more convenient parking and allowing bikes to be brought in the mall
