Hawaii Bicycling League Neighborhood Advocacy Meeting

Kapahulu/Diamond Head (Neighborhood Board 5 area)

Date: 11/27/17
Participants: Michael Rosellum, Asia Yeary, Kari Benes, Buddy Bess, David Hiple, J. David Beutel, John Hagihara, Daniel Alexander (HBL staff, meeting facilitator)

The below provides a summary of meeting comments. These are provided in three areas: Major Priorities, Add/Change to the Oahu Bike Plan, and Other Items.

Major Priorities:
- Waialae/King connection
- Date St dedicated bikeway to link over to King St.
- Lei of Park connections – Waikiki Library, Kalakaua Ave crossing
- Ala Wai Blvd connect the bikeway all the way to Kalakaua
- Kapahulu Ave – general consensus that the sharrows are inadequate, wayfinding to alternative neighborhood streets was one idea
- Repave immediately and then maintain pavement quality on Paki Ave and Kapahulu Ave bike paths

Add/Change to Oahu Bike Plan:
- Bike path isn't formally open through Kaimuki High School nor does it connect up to Kaimuki Ave – this should be included as a project
- Crossing enhancement to connect between Kanaina Ave and path on other side of Kapahulu Ave.
- Lighting on the path in the off-street section linking Date St and Kapahulu Ave for nighttime safety
- Winam St bike boulevard
- University Ave bike/ped bridge over the Ala Wai Canal
- Date St should bike lanes from path terminus to Isenberg St
- McCully St continuous bike lanes
- Alohea Ave and 6th Ave bike lanes
- 10th Ave bike boulevard to link to Waialae/Palolo

Other Items:
- Need additional bike parking in general.
- Consider policy change allow locking to street signs and parking meters.
- Change policy to formally allow biking on the Fort Derussy pathways
