The below provides a summary of meeting comments. These are provided in three areas: Major Priorities, Add/Change to the Oahu Bike Plan, and Other Items.

Major Priorities:

- Hauula to Haleiwa continuous bike path
- Kamehameha Hwy continuous, useable 5ft shoulder

Add/Change to Oahu Bike Plan:

- Naniola Loop bike lanes or bike path
- Bike path from Hauula to North Shore

Other Items:

- Issues the diminish the usability of the Kamehameha Hwy shoulder were emphasized, these include sweeping of detritus/debris, cutting back growth that's encroaching vertically, trash cans in shoulder, and cars parked in the shoulder
- It was noted that USFWS and Turtle Bay Resort are interested partners in building a bike path along their frontage which covers from Kahuku to past Kawela Bay
