1. I believe that walking and bicycling should be safe transportation options available to all and we need to drastically reduce injuries and deaths of people walking and biking. (YES or NO, and any comments) *

Yes

No

Any additional comments?

2. Do you support building a Minimum Grid of 20 new miles of protected bikeways (protected lanes and multi-use paths) and 20 new miles of bike lanes by 2020, which will also make streets safer for pedestrians? (YES or NO, and any comments) *

Yes

No

Any additional comments?

3. Do support strong implementation of Honolulu's Complete Streets ordinance (ROH 14-33) that requires streets to be planned, designed, operated, and maintained to enable safe, convenient and comfortable travel for all modes of transportation throughout Honolulu, including walking and bicycling? (YES or NO, and any comments) *

Yes

No

Any additional comments?

I am concerned about the current climate at city council regarding complete streets and the potential intrusion on the duties and responsibilities of the executive branch.

4. Seventy-nine percent of Oahu commuters drive as their primary way of getting to work and 15% walk, bike, or take public transportation. I support the establishment of specific targets to reduce dependence on private automobile transportation and increase bicycling, walking, and transit use, as Kauai County has done. (YES or NO, and any comments) *

Yes

No

Any additional comments?

5. Describe ways that you have supported safer walking and bicycling in your community. (short answer) *

There have been many including Bicycle Safety Resolutions, advocating for Safe Routes to School and Complete Streets. Google Bike Mom and Cycle On Hawaii for others.

6. The City has the Oahu Bike Plan and is in the process of creating the first Oahu Pedestrian Plan. What will you do when elected to implement these plans? (short answer) *

Review them, help educate people about them and support funding accordingly.
