

BikeEd Quarter One Report

July - Sept 2018

Our BikeEd program had a great start to the 2018-2019 school year! We began the year doing an educational talk at Kahala Community park where we taught keiki all of the safety rules of the road and how to ride safely here on O’ahu. During the last week of September, we had our great Honolulu Century Ride and Aloha Fun ride where many of BikeEd students participated in.

Overall, we reached 1,838 keiki this quarter! We reached our number by visiting 17 schools, 6 rodeos and a few educational talks. One of our biggest hits was partnering with the Scouts BSA in their recruiting season. We got to visit all different parts of the island and set up rodeos for their events. The scouts are so responsible and outgoing! It was a pleasure working with them.
