Rider Support & Event Operations

Ride Command: @ Kapiolani Park

Sun. 9/29, 5:30am-12:00pm & 11:30am-5:30pm

Ride command makes sure the event is safe for everyone. Command receives incoming calls from ride participants in need of support, course marshals, and aid station captains. Ride command makes outgoing calls to direct support needed on the course. In case of an emergency or a hazard the proper measurements will be taken and directed through command. EXPERIENCE REQUIRED.

Course Marshals: Along route

Sun. 9/29, 6:00am-12:00pm, 11:30am-5:30pm

Magnetic sign provided for volunteer's vehicle to identify as a ride support vehicle. Course Marshals are the eyes of the Command Center and make sure the event is as safe as possible, supporting riders who need help or assistance. Equipped with basic tools and able to repair minor mechanicals and flats. EXPERIENCE REQUIRED.

Rider Transport: Along route

Sun. 9/29, 8:00am-1:00pm, 12:30pm-5:30pm

Must have a personal vehicle (truck, van, car with bike rack, etc.) that can carry *at least* two riders & their bikes. Magnetic sign provided for volunteer's vehicle to identify as a ride support vehicle. Rider Transport volunteer to pick up riders and their bikes and transport to aid station or finish area as directed by Course Marshals and Ride Command.
